late results wise, but with the games come thick and fast hopefully now we can gain some momentum.

The play-offs are still our target and we are also looking forward to our Kent Senior Cup quarter-final against Dartford next week.

It will be a great test against a solid and established Step 2 club who now have Tony Burman in charge after Alan Dowson left last week.

Rowan Liburd left us this week for pastures new at Chatham Town – a great club and a great opportunity, he leaves with our best wishes and deserved the step back up the football ladder.

***“Rowan leaves with our best wishes. It’s a great opportunity for him and he deserved the step back up the football ladder.”***

Hello, and a warm welcome to the Bourne Stadium for the visit of Hythe Town.

We finally have a game of football after a frustrating week in which we lost two away matches due to the weather.

We welcome Steve Watt and his Hythe team for what should be a great spectacle of two footballing philosophies.

Hythe humbled us at their place earlier in the season but it was a game that we as staff took a lot from and hopefully we have learned a few lessons since then.

We’re now beginning a spell of seven games over the next four weeks. It’s going to be a gruelling period and it will show the importance of having numbers in the squad.

We’ve not been in great form as of

The flip side for me and the club is that we welcome four new bodies to our squad.

Our cover star Josh Ajayi was once a triallist with Tottenham Hotspur and he’s had spells locally with Ramsgate, Dover and Erith & Belvedere.

We’re also joined by Rivah Bailey, Kayne Roberts and we’re delighted to welcome back Dan Carr after a brief spell with Welling.

Enjoy the game, and hopefully we can come away with a win.

# THE CHAIRMAN: PAUL LANSDALE

Two recent postponements at Sittingbourne and Broadbridge Heath proved frustrating but not surprising as the recent snow gave way to heavy rain - with more falling earlier this week.

Weather related call-offs highlight just how important and valuable our investment in the 3G surface has been.

It stands up very well to all the elements: we have only suffered one postponement since it was laid in 2017 and that was when snow got the better of us.

***“The pitch stands up very well to all the elements: we have only suffered one postponement since it was laid in 2017 and that was when snow got the better of us.”***

Good afternoon everyone and welcome to the Bourne Stadium for this afternoon’s Pitching In Isthmian League South East fixture against Hythe Town.

We offer the same to their officials players and supporters and also to the three match officials appointed for today’s game.

Our opponents today enjoyed a great run in the Isuzu FA Trophy before losing in their fourth round tie against National League Chorley a couple of weeks ago.

We know they will provide a test for us this afternoon. They have had an impressive campaign and made it all the way to the play-off final last season.

With several matches in hand on the clubs above them, including ourselves, they are on course to be involved in the end of season shoot-out again -although beaten at Lancing on their last away trip.

Our 4-0 defeat at Reachfields in October proved a disappointing night.

Next week we head to Dartford for the Kent Senior Cup quarter final - a good draw against a National League South side at Princes Park.

It’s a good challenge for us as a club - especially as we had to withdraw from last season’s competition through no fault of our own.

Meanwhile congratulations to our Ladies First Team who progressed to the quarter-finals of the DFDS Kent Womens Plate beating Sittingbourne 2-1 here on Sunday - well done to all involved.

Thank you for your support today and wish you all a safe journey home after the match.

# THE OPPOSITION: HYTHE TOWN

Hythe Town Football Club was formed in August **1910** although football in Hythe can be traced back into the previous century.

The club joined the Folkestone and District Leagues and after the First World War had some success with four championships and only once outside the top three in fourteen seasons.

They moved up into the Kent Amateur League in **1936** and were promoted into Division One before the Second World War intervened. The 50s and 60s saw little league success but that changed in the early 70s under manager Bob Davis with three successive league titles and a Kent Junior Cup win. Hythe were granted senior status and elected into the Kent League in **1977**, playing at the newly acquired Reachfields, a former army sports ground on the edge of the town's firing ranges. The club were runners-up in the Kent League on three occasions. When property developer Tony Walton took over Hythe Town in February **1988** there was a rapid rise on and off the pitch.

That summer saw the ground developed to Southern League standard with new seating and a social club, with viewing balconies, above new dressing rooms. Standing cover extended behind one goal and for the whole of the far side, and floodlights were installed. The ground capacity still remains at 3,000 with the majority under cover. The chairman proved to be a high-profile character who attracted much media attention with his high spending on the ground and team. Town won the **1988/9** Kent League title by 14 points and set a league record of 133 goals. The club moved up into the Southern League.

The next season saw another promotion as the main aim, but the club's great run to the FA Vase semi-finals handicapped their league ambitions, with four games a week at times, and a sixth-place finish. Hythe lost out to the eventual Vase winners Yeading, winning the home leg 3-2 in front of the club's record attendance of 2,147, but losing the second leg 2-0 with the crucial goal coming from a

big deflection. Hythe did have one trophy success, winning the Eastern Professional Floodlight Cup at their first attempt.

The following season was very similar, topping the table in November but runs in four cups again caused fixture congestion and a final placing of eighth. Hythe lost out to Trowbridge Town in a Vase quarter-final second replay, lost to Chelmsford City over two legs in the Southern League Cup final, but won the Kent Senior Trophy and retained the Eastern Professional Floodlight Cup. The club played 40 league games and 33 cup ties.

In **1991/2** Hythe again topped the table in the early months but the money was beginning to run out. With little cup success, the exit from the Vase at Evesham United in February saw many of the team sold and their replacements could only finish thirteenth. The club did reach the final of the Kent Senior Cup, losing in extra-time to Bromley at Gillingham's Priestfield Stadium. That match proved to be Walton's last game, and he put the club into liquidation soon after.

Supporters rallied round and entered a scratch side, as Hythe United, into the following season's Kent County League and negotiated continued use of Reachfields Stadium. After three seasons the club regained senior status and in 1995 were elected back into the Kent League. The early seasons saw the club struggle in the wrong half of the table. In **2001** Hythe dropped the "United" suffix, reverting to "Town" and in November **2002** appointed Paul Fisk as manager. This proved a turning point and Hythe became a regular top-six Kent League club.

Season **2007/8** saw Hythe top of the table in March but fall away to finish fourth. The highlight was a fantastic FA Cup win over Andy Hessenthaler's Dover Athletic before a crowd of 1,109 at Reachfields, and achieving the important Ryman League ground grading.

The club achieved the runners-up spot the following season and then Scott Porter, who had been Paul Fisk's assistant, took over as manager for the **2009/10** season with Clive Cook as his number

two. There was a third-place finish in the league and another good FA Cup performance, holding Woking to a draw at Reachfields before losing the replay in Surrey.

The **2010/11** season was possibly the most successful in the history of the club, with Porter leading the side to the Kent League Championship for the first time in over twenty years and promotion to the Ryman League. After a 22-match unbeaten run in the new year, dropped points over Easter took the championship to the wire and the league title was clinched in dramatic fashion on the final day of the season thanks to a last-minute equaliser at Tunbridge Wells. Brendan Cass won the Kent League Golden Boot.

This fine achievement was coupled with the club's best ever F.A. Cup run, and the best for any Kent League side since the 1950s. Hythe negotiated their way through six rounds, including memorable wins over higher-league opposition at Concord Rangers of the Ryman Premier and at home to Staines Town of the Blue Square Bet South. The prize was an away draw in the First Round Proper to League Two side Hereford United. It was one round too far on the pitch, the hosts comfortably winning 5-1 with Gary Mickelborough getting the Hythe goal.

During the **2011/2** season the club maintained their progress and finished in eighth place in Ryman Division One South. Hythe were also able to get their hands on some silverware as wins over Ebbsfleet United and Dover Athletic were followed by a single goal victory in the final at Dartford to lift the Kent Senior Cup.

The following season ended with a 17-match unbeaten run and a fourth-place finish. This brought about the club's first play-off appearance but there was defeat at Faversham Town in the semi-final. Dave Cook scored 28 goals in total and won the Ryman One South Golden Boot.

After another eighth-place finish Porter and Cook left the club at the end of **2013/4**. Tim Dixon was appointed as the

new manager but it was a disappointing season that saw Hythe finish in sixteenth position. After a poor start to **2015/6** the club parted company with Dixon in September. Clive Cook returned to take over, this time as manager and led a remarkable turnaround from the relegation places to finish fourth as the club qualified for the Ryman One South play-offs for a second time. Defeat followed at Worthing in the semi-final.

Alfie May's 49 goals in 65 Hythe appearances from September **2015** to December 2016 attracted the attention of League Two Doncaster Rovers, who signed him in January **2017**. He played there for three years before moving to his current club, Cheltenham Town, in January 2020.

Hythe parted company with Cook in January **2017** and appointed ex-Herne Bay manager Sam Denly in his place. The club finished in seventh place, six points outside the play-offs. The following season, **2017/8**, saw Hythe unbeaten in the last 14 games but missing the play-offs on goal difference. Only drawing on the last day of the season was the difference, and seventh place again.

In **2018/9** Hythe again claimed seventh position but this time a distant eleven points from the play-offs. Zak Ansah scored 32 goals during the season and won the Ryman One South Golden Boot. A poor start to the following season resulted in the departure of Denly, to be replaced by Steve Watt in September **2019**. The season was brought to a premature end due to the Covid-19 pandemic with Hythe in eleventh position after 29 games. The **2020/1** season hardly started, with Hythe eighth after only six matches when it was curtailed.

Steve Watt did leave during **2021-22** to be replaced by James Rogers who saw us safe from relegation but Steve returned at the start of the following season and took the club to a play-off final. After a memorable semi-final win at Ramsgate the Cannons were narrowly beaten in the final at Whitehawk.

## Oaks Review:

Sevenoaks Town's home struggles continued with this latest Pitching In Isthmian League South East home defeat against Herne Bay. Having pushed top-two Ramsgate and Cray Valley so close the previous weekend, the outcome was disappointing, and drops Oaks to 10th in the table, their lowest this season.

They led through Jahmal Howlett-Mundle's first goal for the club

after 36 minutes - only to concede five minutes later.

Bay went in front eight minutes after the restart, Oaks spurning a way back, substitute Keiron Cadogan missing a 66th minute penalty. Rowan Liburd went close twice before Oaks led, Howlett-Mundle finishing well to convert Dan Bennett's corner.

However the lead did not last long, Bay defender Sam German rising highest at the far post to head home a corner.

**H-T 47:15: Oaks 1 Bay 1**

Top scorer Michael Salako's close-range finish put the visitors in front eight minutes after the restart - Oaks keeper Dan Colmer tipping over Dan Walder's free-kick soon afterwards. Oaks were handed a way back when referee Zak Demetriades pointed to the spot after Fumnaya Shomotun went down under Bay defender Frankie Smith's challenge.

Bay hotly disputed the decision before Cadogan saw his effort saved by keeper Harry Brooks.

Oaks finished strongly, Brooks keeping out three efforts in stoppage-time.

**F-T 96:15: Oaks 1 Bay 2**

## Reaction: Mark Dacey

"The performances are not good enough. You are not going to win games at this level with five or six out of 10 displays - they have to be seven plus.

"We created good chances but missed them - Herne Bay did the same when they were chasing, but they didn't really smell blood when we had momentum in the first half."

"To concede a set-piece and then not defend our own box for the goals was disappointing."

### **Oaks Review:**

Rowan Liburd thanked Sports Therapist Carly Payne and her Beckenham Town counterpart Jacob Monteith for their prompt assistance after he was injured and taken to hospital.

The Oaks striker suffered two cuts above the eye after being caught by a high boot from home player Steve Townsend in the second half incident.

He needed lengthy treatment and was wrapped in foil on a freezing afternoon with the game delayed for around 12 minutes before he was helped to the dressing room.

Rowan who discharged later and said: "Both acted quickly and promptly and handled the situation perfectly."

Townsend was initially shown a yellow card but Sussex referee Will Briers changed it to a red several minutes later during the enforced stoppage, after consulting one of his assistants.

The game was beset by injuries with two other lengthy first half stoppages, while Oaks defender Karn Miller-Neave missed the second half with a dead leg. New signing Josh Ajahi replaced him and made an immediate impact on his debut, orchestrating Oaks' comeback from 2-0 down against the Pitching In Isthmian League South East's bottom club.

He set-up Jahmal Howlett-Mundle for the first on 88 minutes - his second in successive games - then scored the 99th minute equaliser to earn the club's first away draw of the season.

Substitute Kieron Cadogan on for Liburd, hit the angle of bar and post and also

had another effort ruled out for offside. Liburd missed Oaks best first half chance while keeper Dan Colmer pulled off a fine save earlier to keep things level.

### **H-T 51:20: Becks 0 Oaks 0**

Dieko Falada put Beckenham ahead five minutes after the restart, before Abbas Agora made it 2-0 late on - which looked like ensuring a rare victory for the hosts - Ajahi made sure it didn't.

### **F-T 103:20: Becks 2 Oaks 2**

### **Reaction:**

#### **Mark Dacey on the Liburd incident.**

"I don't think it was a sending off, it wasn't malicious.

Rowan was conscious and able to walk off and concussion protocols were put in place.

"I also want to add my thanks to Carly and Jacob - credit to them both - Rowan's health is the main thing - football is irrelevant."

#### **On new signing Josh Adaji's debut as a second half substitute.**

"We are excited about him - if we can get him firing he is going to cause problems.

"He produced two bits of magic which led us to take a point.

"It is not often that your own team are encouraging you to sign a player who they have played against before, because how highly they rate him and the potential he has.

"Reaching that potential only comes down to him and we will do all we can to ensure that."
