# THE MANAGER: HARRY HUDSON

Hello again everyone and welcome back to Greatness Park..

Today's opponents Chichester City are a club with which I have strong family connections and they have started the season well.

As for us we have to reflect on another midweek defeat at Burgess Hill.

***"We have not been at our best on Tuesday nights away from home - and need to improve on our travels, otherwise we will not get to where we want to be."***

We have not been at our best on Tuesday nights away from home - and need to improve on our travels, otherwise we will not get to where we want to be.

Losing Matty Warren in the warm-up was a setback. He had scored in

the previous two games, he is a huge part of our team and he makes us better when he plays.

Having to make a change two minutes before the kick off is the worse scenario for any manager and we missed him on the night.

It's the way our luck is going at the moment. We bring in a new player and lose another.

Our latest addition to the squad is Dominic Morgan Griffiths.

He is a player who we have admired for a long time, has got great energy and we are really excited by him.

Two players have left us: Palace Francis and TT Walters.

Palace has joined Raynes Park Vale.

We wish him well, in what is a permanent move - he was a joy to work with, and hope he rekindles the form we saw in glimpses for us.

TT's month's loan from Hastings was up and it was the right thing for him to do as they have just appointed a new manager.

Finally I must congratulate our three Step 4 rivals Cray Valley, Sheppey and Ramsgate on reaching the FA Cup First Round.

Being paired with Charlton and Walsall - and both to be screened live on national TV - is a great reward for Cray and Sheppey respectively - both for footballing and financial reasons.

Ramsgate hosting National League Woking is also an excellent opportunity for them to progress further. We as a club wish them all well.

**Harry**

# THE CHAIRMAN: PAUL LANSDALE

Good afternoon and welcome back to The Bourne Stadium for this afternoon's Pitching In Isthmian League fixture against Chichester City.

We offer the same to their officials players and supporters and extend that to the three officials appointed for today's match.

Chichester are another club who have invested in an artificial pitch - and the groundwork and preparation means they made a temporary move to Bognor Regis.

However looking at their results and form it hasn't affected them so far that season.

In fact, the head-to-head record between us shows that all three of our previous meetings here have ended in draws.

It was good to catch up with our counterparts at Burgess Hill on

Tuesday night. The result was disappointing but the hospitality afforded to us as always was excellent.

Likewise it was a good opportunity to meet Horndean's officials for the first time when they visited a couple of weeks ago.

Despite a difficult start to season they looked a very good side, pushing us all the way and they showed it again winning at Sheppey last week

These are exciting times for all our three Kent clubs as they continue to fly the Step 4 flag in the FA Cup - good luck to them all on their big day in the spotlight.

***"We were excited by our success in the competition last season- but this takes it to another level."***

We were excited by our success in the competition last season- but this takes it to another level.

Finally you may have read of the withdrawal of our ground-sharers Chipstead from the Kent County League.

I won't comment on the circumstances but we have strong connections in Sevenoaks football at all levels and it is disappointing for the town to lose a senior village team.

Enjoy the game - and safe journey home to all later.

**Paul**

# THE OPPOSITION: CHICHESTER CITY

Chichester's original home was Priory Park but it relocated to Oaklands Park in the early fifties.

The club was represented at the inaugural meeting of the Sussex County FA in **1882** and featured in the first ever Sussex Senior Cup competition in the same year losing 5-0 to Storrington.

In **1896** Chichester became members of the newly formed West Sussex League and remained there until they joined the Sussex County League in **1920**. The first major honour was achieved in **1926** when they won the Sussex Senior Cup but inter-war success was limited.

In 1960 Chichester clinched their first Sussex County League title and then retained it the following season, shared the Sussex RUR Cup with Brighton & Hove Albion after a 2-2 draw and reached the first round proper of the FA Cup, only to lose 11-0 to Bristol City. Chichester beat Eastbourne in the RUR Cup in 1964 and recaptured the league title in 1968.

In the **1970s** Chichester's fortunes were mixed; the high point being another league championship in **1973** and a good run in the FA Amateur Cup. At the end of the decade, City faced relegation for the first time. However, the appointment of ex-Plymouth and Portsmouth player, Richie Reynolds, as manager sparked an amazing revival which saw City claw their way to safety. The following season was one of City's

best ever as Reynolds masterminded a league championship win.

The club was relegated though in **1983** after a dismal season. Promotion and Division Two Cup success followed in **1985** but they returned to the Second Division for the **1987-88** campaign winning the Division Two Challenge Cup again in **1988**.

Steve White took over as manager in **1990** and the side enjoyed another promotion campaign alongside Division Two Challenge Cup success.

The club struggled for several seasons in the County League top flight before again being relegated to Division Two in **1994**. In **1997**, City returned to the top flight after finishing runners-up. Permission was finally granted for floodlights at Oaklands Park and they remained in the top flight of the Sussex County League in one guise or another for over twenty years.

Following a millennium merger with Portfield FC the club became known as Chichester City United FC and in **2004** Adie Girdler and his assistant Gary Brockway led Chichester to their first Sussex County League title since 1980.

The club also won the Brighton Charity Cup in **2005** and **2006** and the RUR Cup for a third time in **2007**. At the start of the **2009-2010** season, following discussions with Chichester District Council, it was agreed to revert back to the name of Chichester

*City celebrate winning the SCFL in 2019*

City FC as this more clearly reflected the club and the city.

The club faced challenges after this, both on and off the pitch, for a number of years. However, the management team of Miles Rutherford, Graeme Gee and first team coach Danny Potter has transformed things at Chi in all sorts of ways.

A top five finish in the Southern Combination Football League premier division in **2015-16** was followed by a third place spot in **2016-17**, a six month unbeaten run in the league and a record equalling 4th round appearance in the FA Vase. Chichester went one round better in the Vase the following season, losing 1-0 to 1874 Northwich in the last minute of the game.

Chi won the RUR Cup in the **2017-18** season, beating local rivals Pagham 4-0 in the final at Culver Road, and gained promotion to Step 4 of the non-league football pyramid for the

first time ever in the club's history after clinching the SCFL premier division title in **2018-19**.

Darin Killpartrick joined the coaching staff at Chichester in the summer of **2019** and an exceptional start to life in the Isthmian League was complemented by an extraordinary FA Cup adventure as City progressed through six rounds of qualifying to make it to the first round proper of the competition – a run in which Chichester beat three Step 3 sides.

And in a unique FA Cup first round draw Chichester, the lowest ranked team left in the competition, were given the bye into the second round, only to lose 5-1 away at Tranmere Rovers in a match broadcast live on BT Sport.

That first league campaign was curtailed by COVID, as was the subsequent season, but in **2021-22** Chichester finished 11th in the table and 10th in **2022-23**.

**Yellow Cards:** Dan Bennett (45 mins), TT Walters (45 mins), Karn Miller-Neave (73 mins).

## Oaks Review:

Matty Warren's winner earned Sevenoaks Town a hard earned victory over Pitching In Isthmian League South East new-boys Horndean. Boss Harry Hudson missed the game due to illness, but got the reaction he wanted in his absence as Oaks bounced back from the 4-0 midweek drubbing at Hythe. Four changes saw Jaiden Drake-Thomas, Daniel Bennett, Tyrese Osbourne and TT Walters who started on the bench at Hythe included in the starting line-up together with Warren, unavailable in midweek due to work commitments.

Jerald Aboagye, Rian Bray, Kieran Cadogan and Rowan Liburd were named as substitutes.

Oaks were in front twice, but conceded quickly both times. before Warren settled the contest 14 minutes from time.

Chances fell at both ends in a lively finale with visiting goalkeeper Cameron Scott, up to join the attack, went close in stoppage-time as referee Ciaran Fidler added on eight minutes at the end.

Oaks made a busy start before Dan Bennett headed them in front after 21 minutes converting Emmanuel Mensah's cross from the right.

The lead lasted only five minutes when pacy Zack Willetts finished off a quick break, before Tommy Scutt shot just wide in first half stoppage-time.

**HT: 1-1 (49-59)**

Oaks restored their advantage five minutes after the restart, Fumnaya Shomotun and Warren creating the chance for Dan Carr to score.

Skipper Corey Holder cleared off the line as Horndean pressed again, before Willetts made it 2-2 five minutes later.

Substitute Rowan Liburd had two efforts saved, before Warren's composed finish saw him clinch the points for the second weekend running.

**FT: 3-2 (90+8)**

## Reaction:

Adam Flemming - First Team Coach:  
"We told the boys we had to put right what went wrong at Hythe.  
"Our culture was correct. We've had ups and downs so far this season and we just need to try get some consistency.  
"We done well to craft out the first two goals but then undone our hard work by conceding poor ones. But we got the result which is the most important thing."

**Date:** Tuesday October 24 2023:  
Pitching In Isthmian League South East:

**Weather:** Clear and Cold

**Result:** 0-1

**Attendance:** 294

**Referee:** Joel Lampkin (Sussex)

**Line-Up:**

**Sevenoaks Town:** Amadou Tangara, Jerald Aboagye (Tyrese Osbourne 74 mins), Karn Miller-Neave, Jaiden Drake-Thomas, Rian Bray, Corey Holder, Fumnaya Shomotun, Emmanuel Mensah, Dan Carr (Rowan Liburd 53 mins), Dominic Morgan Griffiths, Keiran Cadogan (Dan Bennett 66 mins)

## Oaks Review:

A disappointing night in West Sussex as Dan Perry's second half winner settled the contest. Oaks suffered a blow when Matty Warren was injured in the warm-up, meaning a late call up for Manny Mensah. Dominic Morgan Griffiths is the latest new signing to feature, while Jerald Aboagye, Rian Bray and Kieran Cadogan all earned recalls. Ricardo Thompson, Tyrese Osbourne, Dan Bennett and Rowan Liburd were on the bench. TT Walters has returned to Hastings United following his one

month loan.

Kieran Cadogan created Oaks two best opportunities down the left early on - Dan Carr unable to connect with the first, while another teasing cross deserved more.

Home defender Reggie Ward fired against the post midway through the half, while Carr's effort slipped wide of the post in time added on.

**HT: 0-0 (49-30)**

Hill went in front eight minutes after the break following a corner - prolific Perry getting the final touch - his 51st goal for the club in different spells

Amadou Tangara saved at the feet of Kieran Rowe as he broke into the area, then Rian Bray cleared off the line after a defensive slip let in Hill again.

Oaks had won five of their previous nine meetings between the two sides - this was the hosts first league success - two years and one day after their only other victory.

**FT: 1-0 (90+7)**

## Reaction: Harry Hudson:

"I thought it was a 0-0 game - we created very little which was disappointing, but defended resolutely.  
"We felt it was a clear and obvious foul on Rian Bray in the build up for the goal - and the only other chance they had was late on, when we made a mistake but Rian did well to head off the line.  
"Both teams worked hard and were industrious, but their delivery and commitment from set-plays was much better than ours.  
"With two teams defending well it was always going to come down to a set play or a mistake - and unfortunately we were on the wrong end if it on the night."

## MARK IN THE UAE

## MARK IN THE UAE

Mark Dacey is swapping his role as the club's assistant manager for the next fortnight to link up with the England squad competing in the six-a-side World Cup hosted by the United Arab Emirates.

A coach in a backroom team of 10 supporting the 15 strong playing squad, Mark joined rest of the group who flew out this week to make their final preparations. The 32-team competition sees England paired with Slovakia, France and Albanian in Group F. Mark says: "The squad is ready, we have had a couple of friendlies, and won a tournament last month to get us ready.

***"I will be checking with how the boys are getting on here, but it's going to be a great experience."***

"I will be checking with how the boys are getting on here, but it's going to be a great experience with the competition being played in a near 3000 seater stadium with worldwide TV coverage.

"We are GB mini-football playing under the England flag, representing the country, not perhaps the way you dream about as

a kid, but there is still a cap to be won, and a chance to express ourselves on the world level." John Paul Collier who with Ross Cable are the joint-England managers. Mark said: "JP is a mate who got me involved when he called in a favour

asking me to help with coaching sessions. "The World Cup in Australia and the Europeans in Slovakia were both cancelled due to Covid - for me personally with a baby due next year - it's probably going to be a good one to end on."
