Respect

From the Manager's Desk

"The travelling support from East Grinstead has brought great energy ..."

A warm welcome to Grant Hearn and Andrew Willis, the rest of the East Grinstead management team and their players, committee, and supporters.

Since I joined Sevenoaks, we have enjoyed some memorable derby encounters with our neighbours, fixtures that have traditionally produced exciting, high-scoring games. The travelling support from East Grinstead has always brought great energy, and I fully expect that tradition to continue again today.

I have shared the same message with our players throughout the week: East Grinstead's current league position does not reflect the true quality of their starting XI. They are a side that has only recently come together and is still finding its rhythm, but it will not be long before they click and begin to cause problems for many teams in this league.

They possess a squad full of vastly experienced players, and it is vital that we show the opposition respect based on their quality, not their position in the table.

That said, we approach today's match fully prepared and well equipped, with a strengthened squad in good form and quietly confident in our own ability.

Our recent results have shown that if we apply ourselves correctly, we are capable of competing with anyone in this league. This season, it has been fantastic to see so many new faces joining us from the local community, and I would like to take this opportunity to warmly welcome all new supporters.

Both on and off the pitch, the club continues to move in a positive direction, and the upcoming move into our new clubhouse will further enhance the matchday experience for everyone. Your continued support is hugely appreciated.

Finally, I extend a warm reception to all supporters here today and wish everyone associated with both clubs a very happy New Year.

Enjoy the game.

Marcel

The Paul Lansdale Column

Good afternoon everyone and welcome to the Bourne Stadium for our first match of 2026 against East Grinstead.

That's extended to all connected with our visitors and to the three match officials appointed for today's game.

Today's programme is available only online due to our printers having an extended break over Christmas and New Year.

It could not have been a better way to end 2025 with three successive wins, a great platform to build on. We know how tough this league can be and there are bound to be more challenges ahead.

Reflecting on the past year the start

"Reflecting on the past year the start of building work on our new clubhouse was the headline moment ..."

of building work on our new clubhouse was the headline moment.

We were pleased to welcome the Mayor, Cllr Tony Clayton to join us together with other members of Sevenoaks Town Council, contractors and architects for the ceremonial dig.

On the field - a ninth place finish in the Pitching In Isthmian League South East saw us achieve our biggest points tally as a Step 4 club - 62.

Our re-formed reserve side competed in the Sevenoaks League, before switching to the NRG Kent County League, and currently head the Division Two Central table.

It has proved a challenging season for our newly promoted Ladies First Team in the London and South East Regional League, while the Development team top the South East Counties League.

Thank you to all our sponsors, volunteers throughout the club on and off the pitch who have helped in what ever capacity. It is valued and greatly appreciated.

Enjoy the game- and a safe journey home to everyone later

Warren's priorities

"It has been a very difficult season, but we are now finding our feet, long may it continue ..."

Warren Mfula says Oaks winning matches is a bigger priority than his own goal tally.

He says it's more about the team than him after scoring twice in the 3-1 win Pitching In Isthmian League South East win at Broadbridge Heath on Saturday.

Rodney Eruotor played a part in both before adding an impressive third with Warren unselfishly missing out on a hat-trick late on.

It was a third successive victory for Oaks, a first in five league meetings against the West Sussex side, and moved them eight points clear of the drop zone.

Mfula who also scored twice in the corresponding game last season, now has eight for the season.

He said: "I'm happy to be back among the goals, but most importantly to get the win as well.

"It has been a very difficult season, but we are now finding our feet, long may it continue, and we are really happy to end the year with three points.

"It's all about the team, I want us to win and do well, and goals will come.

"It's three on the bounce, we are looking to 2026 now, hopefully we can carry on, and see where we finish."

He added: "Rodney also made one for me here last season, I know if I keep making the runs he will find me."

Mfula missed out on a third, choosing to lay on the chance for team-mate Dan Duncanson - only for it to be ruled out.

He said: "I could have walked away with the match ball, but Dan literally said please, I had never heard someone say that before - so I had to pass to him, only to be offside.

"In another game on another day, I am going to put it away and get three myself."

It's been a busy time off the field as well for Warren with the arrival of a new baby.

"We spent Christmas with the family and fatherhood is a lovely beautiful thing."

Ironically it was three years to the day when Mfula scored twice for Sheppey United in a 4-1 win at Sittingbourne.

Two of his Oaks team-mates then were Tom Hanfrey and Josh Wisson.

A history of East Grinstead

East Grinstead Town Football Club was formed on May 8, 1890, although it was another ten years before they played their first competitive matches as founder members of the Mid Sussex Football League. In those early days the club played in blue and white with the town's coat of arms on the breast pocket. It was some years before they adopted their current colours of amber and black and were nicknamed 'The Wasps,' both of which survive to this day.

They won the Mid Sussex League in 1902 and their first major honour followed seven years later when they shared the Sussex Junior Cup with Arundel. In 1909 they were awarded senior status which they have held ever since apart from two seasons when they were relegated to the intermediate third division of the Sussex County League in 1989.

In 1912 Grinstead reached the Sussex Senior Cup final for the only time in their history but lost 4-1 to St Leonards Amateurs in a ferocious snowstorm.

The Wasps were original members of the Sussex County League when it was founded in 1920, but they struggled to make any impact and after finishing bottom in 1927 they were not re-elected.

Rather than returning to the Mid Sussex League, they had four successful seasons in the Brighton League before stepping up to the Southern Amateur League. A fresh challenge reinvigorated the club and they won the Division Three title in 1932 with 15 victories out of 18. Three years later they played on the Test match cricket ground at Trent Bridge in Nottingham when they defeated Nottinghamshire Amateurs 6-0 in the old FA Amateur Cup.

Determined to regain their place in the

Sussex County League, they were re-elected back in 1937 after winning the Mid Sussex League again and finished fifth in their first season.

In those halcyon days either side of the Second World War, four-figure crowds were the norm at their old ground in West Street, East Grinstead, which they shared with the town's cricketers. The club's record attendance is 2,006 for an FA Amateur Cup tie against Lancing in November 1947.

Success eluded Grinstead until 1952 when they won the Baldwin Cup, the forerunner of the Sussex County League Cup.

That team is reckoned by many to be the finest the club has ever produced. It was certainly the most entertaining - 42 games that season in league and cup produced 222 goals!

Grinstead finished third in 1955, but their fortunes began to decline along with crowd num-

bers after that. They left West Street in 1959 but it wasn't until 1967 that they finally moved to their current home at East Court after a protracted battle to get the ground, which was prone to waterlogging, fit for football. In the meantime, they had a spell at King Georges Field in the town centre.

The club again finished third in 1973 in the Sussex County League but that was as good as it got for another 30 years although Grinstead did reach their first cup final since 1952 when they lost 4-1 to Haywards Heath in the RUR Cup in 1974 despite taking the lead. During the 1980s the club regularly hosted Crystal Palace and Brighton in charity fixtures watched by crowds of over 2,000.

Wasps found themselves in Division Two for the first time in 1979 and even had two sea-

A history of East Grinstead

sons in Division Three before regaining senior status. They were promoted back to Division One in 1993 but lasted just two years.

Bob Smith, a former player, led Wasps back to Division One in 2003 and they also won their first trophy for 52 years, beating Three Bridges 4-0 in the final of the RUR Cup.

Unfortunately, the club were relegated back to Division Two on the final day of the 2004-05 season and in October 2006 Smith, the longest-serving manager in the club's history, was replaced by another ex-player Steve Norris, these days the club's vice-chairman.

In his second season Wasps romped to the Second Division title by a massive 18 points, losing just twice all season. Their winning run of 14 successive league games at the start of the season meant they became the last senior non-league team in the country to drop points.

The club established itself in the top-flight over the next decade and their progress on the field was matched off it.

Floodlights were installed in 1997 and in 2008 two new stands and a pitch perimeter barrier were erected. In 2014 with East Court already meeting the requirements of the Isthmian Football League after installing additional seating, the club began work on a new dressing room and hospitality area, turnstile block and entrance and a resurfaced car park. More than £225,000 of the cost came from external grant-aid funding.

Simon Funnell's side finished the season in second place, their highest ever County League position, and in May 2014 the club were accepted into the Isthmian League for the first time in our history. In October 2014, Simon was replaced by Tony Beekingham, who returned for a second spell having previously been in charge between February 2010-October 2011.

Tony managed to keep the club in the league for a second season despite finishing in 23rd place in the table but left to join Hythe Town in September 2015.

Matt Longhurst was appointed manager in October 2015 and consolidated the Wasps at Step 4 for three seasons, despite a big turnover of players. In December 2019, Matt was replaced by the former Kingstonian and Whyteleafe manager Leigh Dynan.

The suspension of the league saved the club from relegation, as they were bottom of the table when Covid-19 forced the curtailment, but Leigh rebuilt the squad, and the club began the 2019-20 season with renewed confidence and were fourth when the campaign was abandoned because of the pandemic.

Leigh had to step down at the start of 2021 due to work commitments and former Wasps' striker Tony Reid, who had enjoyed success with Westfield, was appointed in May 2021.

But after a disappointing start to the season Reid left the club in November 2021 and Beekingham returned for a third spell as joint-manager alongside Drew Cooney, who has made more than 400 appearances for the Wasps. Cooney took over as permanent manager in March 2022, and the club celebrated ten seasons at Step 4 in 2024 and consolidated their position at Step 4 last season (2024/25).

After a poor start to the 2025-26 campaign, Drew's resignation was reluctantly accepted by the committee in October 2025 and a few days later he was replaced by joint-managers Grant Hearn and Andy Willis.

During the summer of 2020 the first major overhaul of the pitch since 2003 took place with new drainage and irrigation systems installed, most of the cost being met by grants.

This project was completed in the summer of 2021 and further improvement work took place in 2024 and 2025 to enable the club to offer the best grass playing surface in the division, if not the league.

Oaks 2 AFC Whyteleafe 1

Jed Borders' 88th minute winner grabbed victory to cap a good five days for Oaks. He picked the perfect moment to score his first goal of the season, as they came from behind to follow up the midweek win at Hastings.

Kevin Diomande released Troy Chiabi, who crossed for Borders to show composure and control to score in the bottom right corner.

Dan Bennett, one of five ex-Oaks players in the Leafe line-up, put the visitors ahead after 26 minutes finishing well for his 13th goal this term.

However, Oaks' responded immediately, Sam Itauma breaking his duck for the season, with an excellent top left hand corner finish set-up by good work by Rodney Eruotor. He burst past former Oaks skipper Corey Holder on the by-line, after running onto Ryan Sawyer's perfect pass from deep in his own half.

Oaks On The Radio

West Kent Radio are featuring Sevenoaks Town on their Saturday afternoon sports programme.

The show runs from 2pm to 6pm and includes three reports - preview, half-time and full time on all the club's matches, as well as midweek matches in breakfast sports bulletins the following morning.

The station is broadcast on 95.5, 106.7 and 107.2 and is available on online, on smart speakers and app, which has been launched recently.

Broadbridge Heath 1 Oaks 3

Oaks improved on a poor record against the West Sussex outfit to earn back-to-back away wins for the first time this season.

Warren Mfula's early goal was the perfect start, and doubled the lead soon after the half-hour.

However as at Hastings, Oaks conceded immediately the restart, Jordan Perrin pushed Zachary Young's effort for a corner, Brad Peters heading home from the resulting kick.

The turning point in the game came eight minutes later when home skipper Byron Napper saw red following his last-man challenge on Mfula - home keeper Alfie Hadfield palmed away the free kick, but Heath failed to clear, the ball falling to Rodney Eruotor who crashed home the third.

Mfula missed out on his hat-trick then set-up Dan Duncanson whose effort was ruled out for offside

"The performance mirrored the one at Hastings.

We played the surface well, looked reasonably comfortable - our best form in the first half came on the counter - the amount of entries we had at 2-0 up we could have made it three or four - and our shape of the ball was very effective.

On a third successive win:

"Things weren't going our way, we didn't panic, we certainly didn't turn on each other. "We found a solution and at the moment it's working but we are far from anywhere near where we want to be, so there is lots of hard work still to do."
